FOR IMMEDIATE RELEASE

## LeMans Karting Launches New Super GP Track

### Local Greenville Indoor Kart Racing Facility Extends Indoor Track Configuration

Greenville, SC (November 25, 2014) - LeMans Karting - Greenville, an indoor kart racing and team-building event center, just announced that the new track extension to their popular indoor kart racing facility will be open today. This extension adds an an additional 150-foot back straight-away, a technical hairpin turn and a 90 degree left-hand high-speed sweeper. It will also allow more drivers -- up to 12 -- to race wheel-to-wheel per session.

"Our track designs are designed by racers for racers," said Rick Gaan, Partner, LeMans Karting. "And now, with the new extension, our 10-Turn Super GP track enables drivers of all levels - from rookies to experts - to enjoy the thrill of true wheel-to-wheel racing in a safe, convenient and friendly environment.", continued Mr. Gaan.

LeMans Karting - Greenville will be closed Thursday, November 27, for Thanksgiving, and will be extending its operating hours during the holidays.

### About LeMans Karting

Opening its first karting facility in Fremont, CA in December 2002 and expanding to Greenville, SC in December 2013, LeMans Karting brings the thrill of real wheel-to-wheel racing excitement, indoors. Their European-built karts are rated to 50 miles per hour and are safe for use by drivers of all skill levels. LeMans Karting holds corporate team building events for companies such as BMW, Michelin, Apple, Cisco, Tesla and more. Popular also for private parties, racing leagues and arrive-&-drive racing, LeMans Karting is definitely a must do in the Upstate. Reservations are recommended by calling 864.412.3323, or by visiting [www.RaceLMK.com](http://www.RaceLMK.com)
