

Local Karting Facility celebrates Valentine's Day

Couples Race at Popular Silicon Valley Indoor Karting Attraction for Valentine's Day

Fremont, CA, 2/26/2015— LeMans Karting in Fremont celebrates Valentine's Day in a new, unique way by offering fun races for couples all over the bay. It's called the Four-Play, where a couple gets a total of 4 races; 2 races each, which is perfect for all those looking for a thrilling yet, untraditional Valentine's Day.

"I'm glad that LeMans is offering this special deal. We never go out for Valentine's Day because the lines everywhere are so long. Plus, Valentine's Day dinners are so boring" says a local Fremont couple.

Fun-seeking couples were able to race with other fun-seeking couples and they even got to mingle. Not only is LeMans a place to go-kart, it is also the perfect place for couples to meet new friends, and potential race buddies.

About LeMans Karting

Founded in 2002, LeMans Karting is Northern California's longest running gokart racing and meeting facility. Powered by E85 ethanol, their European-built karts are 'greener' than electric-only karts, can run continuously for more than two hours and are rated to 50 miles per hour. LeMans Karting brings the thrill of real wheel-to-wheel racing excitement for drivers of all skill levels. Conveniently located off of the Mission Blvd. cross-over between highways 880 & 680, LeMans holds corporate team building events for many of Silicon Valley companies such as Apple, Google, and Tesla Motors. Popular also for private parties, racing leagues and arrive & drive racing, LeMans Karting is definitely a must do in the Bay Area.
