

LeMans Karting Launches Junior Summer Academy

Silicon Valley's Number 1 Indoor Karting Attraction is Holding a Summer Academy for Junior Drivers

Fremont, CA, 6/7/2015-- LeMans Karting will be holding a Junior Summer Academy for all drivers between the ages of 11 through 17. For four days, new and returning drivers will work on and obtain new driving skills while learning more about racing from LeMans Karting's resident race professionals. Last year's summer camp was record breaking as some of our youngest racers achieved faster lap times than most.

"The Summer Academy was a lot more than I expected. I thought it might just be a basic behind the wheel training program, but I was surprised how extensive and in-depth it was" says one of the mothers of the drivers.

Drivers will practice the racing line and drills to optimize maneuverability with the karts in high speed situations. Each student will look forward to learning more about the Endurance Race format here at Lemans including passing techniques and pit stop strategies. Every Summer Academy student will have the opportunity to participate in their own competitive Endurance Race.

About LeMans Karting

Founded in 2002, LeMans Karting is Northern California's longest running gokart racing and meeting facility. Powered by E85 ethanol, their European-built karts are 'greener' than electric-only karts, can run continuously for more than two hours and are rated to 50 miles per hour. LeMans Karting brings the thrill of real wheel-to-wheel racing excitement for drivers of all skill levels. Conveniently located off of the Mission Blvd. cross-over between highways 880 & 680, LeMans holds corporate team building events for many of Silicon Valley companies such as Apple, Google, and Tesla Motors. Popular also for private parties, racing leagues and arrive & drive racing, LeMans Karting is definitely a must do in the Bay Area.
